Date of Signature**Comments Regarding Notice of Allowance  
And Examiner Interview**

Applicant's attorney traversed the Examiner's reason (alleged lack of support in the application) for not allowing "forming" in the claims. Applicant's attorney agreed to maintain "printing" in the claims to expedite allowance of the present application. Applicant's attorney did not disclaim subject matter and may file one or more divisional applications with other claims including the "forming" limitation or other limitations.

Respectfully submitted,
